BDX3000

Blu-ray Disc™ Player

Blu-ray
3D™

With Full HD 3D playback, a suite of streaming content¹ and comprehensive audio support, the BDX3000 is the flagship of Toshiba's Blu-ray line. Combined with Toshiba's WX800 Cinema Series® 3D LED HDTV and Toshiba 3D glasses, the BDX3000 opens the door to a new way of enjoying select movies and more.²

Wi-Fi® capability allows wireless access to streaming movies, television shows, music, and more. At the push of a button, content from BLOCKBUSTER On Demand®, Netflix, VUDU™, and Pandora® can be accessed instantly.¹

BDX3000

Blu-ray Disc™ Player*

- **Blu-ray 3D™ Playback^{3,4}** for the next generation in home entertainment.
- **Full HD 1080p/24 fps video output** provides an amazing cinema experience in the comfort of your own home.
- **BD-Live™** opens up a world of online features, with a convenient SD Card Slot for storing saved content.
- **Built-in Wi-Fi®¹** functionality gives you access to online content from Netflix, BLOCKBUSTER On Demand®, VUDU™, and Pandora®. Streaming movies, showing off your digital photo albums, and listening to your favorite music are all possible with the BDX3000.
- **AVCHD® Playback** for the HD playback of your home movies.
- **HDMI®-CEC** connects the BDX3000 and your HDTV for convenient two-way control with one remote.
- **Built-in Decoding of Dolby® TrueHD and DTS®-HD Master Audio | Essential™** deliver the high-definition audio that completes the Blu-ray experience.

¹ Netflix unlimited membership required. Third party internet services are available only in the U.S., are not provided by Toshiba, may change or be discontinued at any time and may be subject to third party restrictions. Toshiba makes no representations or warranties about these services, which may require the creation of a user account through a computer with internet access and the payment of one-time and/or recurring charges.

² Viewing 3D content requires compatible Toshiba 3D glasses, compatible 3D display, and 3D capable HDMI cable (all sold separately).

³ This product is designed to playback Blu-ray discs that comply with the 3D specifications of Blu-ray Disc Association. It is not compatible with other 3D specifications.

⁴ Due to the possible impact on vision development, viewers of 3D video images should be age 6 or above. Children and teenagers may be more susceptible to health issues associated with viewing in 3D and should be closely supervised to avoid prolonged viewing without rest. Some viewers may experience a seizure or blackout when exposed to certain flashing images or lights contained in certain 3D television pictures or video games. Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition, or has a family history of epilepsy, should contact a health care provider before using the 3D function of this product.
